No. 99013

Harvey

Harvey is a good natured crane engine brought to the Island by Sir Topham Hatt to help with loading and unloading freight.

Although the other engines teased him for his unique look, Harvey soon proved that he, too, was a Really Useful Engine

NW BRAKEVAN

The NW Brakevan is a spiteful nuisance with ill-will towards Douglas. He is known for encouraging the other trucks to play tricks on the engines, but is taught a lesson when one of his schemes goes wrong and he gets caught between James and Douglas.

These recycling cars are so important it is to recycle. All of the engines on the Island of Sodor know make it possible for Thomas and his friends to transport glass, paper and aluminum to recycling facilities on the Island.

Recycling Cars

Express Coaches

The Express Coaches, usually pulled by Gordon, are popular with passengers because they ride smoothly and have extra-comfortable seats.

TREVOR

Trevor is very old and likes to have the opportunity to show he's still "Really Useful." He enjoys dozing in the sun, and best of all, giving children rides around the fields.

Caroline

Caroline has a calm nature, and does not like being pushed along the road too fast. Delicate in engine construction, she prefers the gentleness of narrow country roads where she can only be driven at 20 mph. She loves the occasional picnic where she's parked up for the duration.

Fog Cars

The nights can be foggy and damp on the Island of Sodor. It's on these nights that Sir Topham Hatt relies on his faithful team of engines to bring the blasting caps and fog horn to Cynll, the Fog Man.

Alfie

Alfie is an excavator who makes even the toughest job in the quarry look easy. He is friendly, helpful and loves to do all the dirty work. In fact, his favorite expression is "more dirt means more fun."

Coal Dust Percy

Percy often gets dirty when working down at the coal mine, especially when the Troublesome Trucks are around. Although he doesn't like to be dirty, he isn't too bothered when he remembers Sir Topham Hatt's motto "usefulness before cleanliness."

Elizabeth

Elizabeth is a "vintage" Sentinel Lorry. Like most Lorries, she thinks that roads are more important than rails, and is often rude to the other engines proving this point.

Collect Character Cards for all your favorite Thomas Wooden Railway System friends!

99182

Battery-Powered Bertie

Firmest of friends with Thomas since their "great race", Bertie understands that both rails and roads are useful on the Island.

Collect Character Cards for all your favorite Thomas Wooden Railway System friends!

99722

Spencer

Spencer is just about the shiniest, sleekest engine the Island of Sodor has ever seen. A striking silver express engine, Spencer was brought to the Island as the private engine of the visiting Duke and Duchess.

Collect Character Cards for all your favorite Thomas Wooden Railway System friends!

LC99189

Battery-Powered Lady

A very special golden engine, who holds the secret to the Magic Railroad.

Collect Character Cards for all your favorite Thomas Wooden Railway System friends!

99716

Stepney with Museum Cars

The museum cars are used for carrying important treasures across the Island to the Sodor Museum – and who better to pull the museum cars than hard working Stepney.

Collect Character Cards for all your favorite Thomas Wooden Railway System friends!

99178

Battery-Powered Thomas

The most famous of all the vehicles on the Island of Sodor, Thomas the Tank Engine is considered by all to be a "really useful engine". He is a cheeky, fussy little engine who is always eager to help.

Collect Character Cards for all your favorite Thomas Wooden Railway System friends!

99717

Emily

Emily is a beautiful engine with shiny paintwork and gleaming brass fittings. After she rescued Oliver and Toad when they were stuck on the tracks, Sir Topham Hatt rewarded her with a brand new pair of coaches.

Collect Character Cards for all your favorite Thomas Wooden Railway System friends!

LC99188

Jack Frost Percy

Spending the night out alone and away from the shed can be very scary for the Island of Sodor's smallest engine. But when Percy gets covered in frost, he ends up scaring the other engines, who mistake him for Jack Frost.

Collect Character Cards for all your favorite Thomas Wooden Railway System friends!

LC99123-A

Chocolate-covered Percy

Percy likes delivering sugar to Mr. Jolly's Chocolate Factory because he doesn't think there is any chance he'll get dirty. But when he slides on the slippery rails and crashes into the factory, he gets completely covered in sticky, gooey chocolate.

Collect Character Cards for all your favorite Thomas Wooden Railway System friends!

LC99123-C

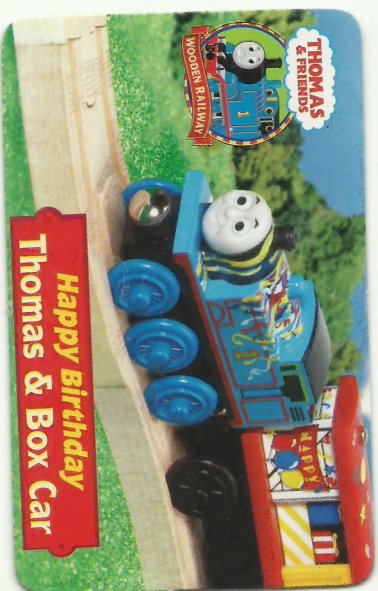

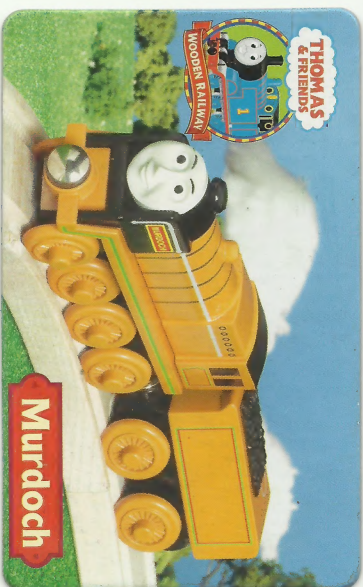

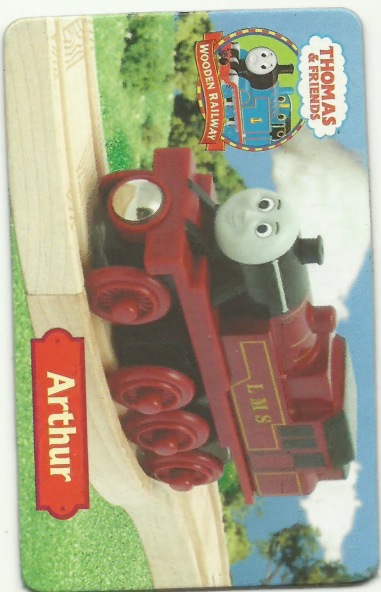

Aquarium Cars

Colorful and fun, the large tanks of the aquarium cars help to transport sea creatures to all festivals and carnivals on the Island of Sodor.

Collect Character Cards for all your favorite Thomas Wooden Railway System friends!

LC99160

TERENCE THE TRACTOR

His "crawling tracks" make Terence the subject of endless teasing from younger engines. Slow and steady and always with a smile, that's Terence.
